### Chapter 1 by Egotastic

He shivered during his revival.

This wasn't the first time. However being brought back to life was never fun. His soul would be pulled out of the defective body and shoved into another one. It wasn't very fun.

This time, he could feel Lust's eyes on him.

Surprisingly, Lust hadn't died as many times as he did. This only happened because Lust didn't mind staying in the underworld as long as he had victims. Unfortunately for Envy, he wanted, *needed*, to go up to the surface. Often, he was accompanied by Greed.

This time, IT had given him the body of a pale skinned redhead covered in freckles. Their hazel eyes were lost as soon as he entered the body, the eyes glowing golden instead.

After the process was complete, Envy stepped away from IT, bowing lowly in gratitude when he was clothed.

Lust's golden eyes were glazed over and Envy resorted to looking away from his rather repulsive frowning.
